Senior citizen discount
• Senior Citizen discounts are available for mature adults age 55 or better. • The scale ranges from 10% to 100% and is based on income and number of members per household.
• Applications are available at the administration office, recreation centers, and on the DPR website.
• The application is used to determine the percentage (from 10%-100%) to be paid by the participant for participation in childcare programs, which includes summer camp, after school, and intersession.
• Once approved, the reduced fee is valid for one (1) year.

Program Fee Waiver
• The fee waiver is available to anyone receiving support through the Durham County Department of Social Services (DSS) and may be used for programs, excluding childcare programs, facility, field, and equipment rentals, and others as specified in registration materials.
• Applications are available at the main office, recreation centers, and on the website.
• The outcome is valid for one (1) year from the date of approval.

Facility, Field, and Equipment Fee Waiver
• The applicant is responsible for completing the reservation process prior to submitting the application for Facility, Field or Equipment Fee Waivers.
• Any persons requesting a fee waiver must submit a completed Facility, Field and Equipment Fee Waiver application to the department.
• The applicant must reapply for each rental.
• The applicant must pay the security deposit and application fee by the date due and pay all other fees not waived by the Recreation Advisory Commission by the established deadline.

In the latter half of June 2023, the long-awaited Rock Quarry Dog Park was opened to the public, marking a significant milestone in the city’s efforts to create vibrant and inclusive recreational spaces for both residents and their four-legged companions. What made this accomplishment even more exceptional was the incredible support and dedication of our volunteers.

At Durham Parks and Recreation (DPR), we understand the immense value that volunteers bring to our community. We recognize that they are the backbone of our initiatives, providing the passion, time, and energy needed to transform ordinary spaces into extraordinary ones. In this particular endeavor, we are grateful to the team from Merck & Co. Inc. for their unwavering commitment to making Rock Quarry Dog Park a true haven for dogs and their owners.

Merck & Co. Inc.’s involvement has been nothing short of inspiring. Their hard work, enthusiasm, and love for the community shine brightly through their efforts. The improvements and enhancements they’ve contributed have not only elevated the aesthetic appeal of the dog park but have also created a safer and more enjoyable environment for all visitors. Furthermore, we are proud to announce that Eno Animal Hospital has adopted the Rock Quarry Dog Park as a testament to their commitment to the welfare of our furry friends. Their ongoing support will ensure that this park remains a vibrant hub for dog lovers in Durham for years to come.

At DPR, we believe in the transformative power of community engagement, and we seek volunteers not only at our dog parks but also at various Park and Recreation locations throughout our city. If you’re eager to make a meaningful difference in your community, we invite you to explore the numerous volunteering opportunities available. By contributing your time and talents, you become an integral part of our mission to create a more vibrant and connected Durham.

To learn more about how you can get involved, please visit our website, where you’ll find information on volunteering opportunities, upcoming events, and the impact you can make as a valued member of the DPR volunteer family. A CENTURY OF FUN: Celebrating Durham Parks and Recreation's 100th Anniversary

For almost one hundred years, Durham Parks and Recreation (DPR) has built a legacy full of laughter, vitality, and community, offering the Durham community abundant avenues to "Play More." Our profound connection to wellness, the great outdoors, and lifelong learning has woven a beautiful fabric of happiness that has stretched across many generations. As we stand on the cusp of a historic milestone, the celebration of DPR's 100th anniversary will be celebrated throughout the entirety of the 2024 calendar year.

"Many of the department's core pillars of service established 100 years ago, are still strongly rooted today," said DPR Director Wade Walcutt, who has been with the department since 2020. "For example, we continue to build great parks and provide exceptional programs to make the lives of our residents better. We have grown with our community over these 100 years and have evolved to have a stronger focus on engagement, improving the overall wellbeing of our community, and intentionally creating experiences and opportunities to be more inclusive and equitable for Durham. Our entire team is grateful to be part of this legacy and this moment. We recognize the privilege we have as servant leaders and our responsibilities as stewards of the public's most cherished resources."

Public recreation was started in Durham in April of 1924 by a City Council Resolution which stated, "It has been recognized by the Council that playgrounds are essential to proper growth and citizenship." In accordance with this observation the Council, in July 1924, appropriated money for summer playgrounds. A year later, on July 1, 1925, the Council further demonstrated its commitment by providing funds to develop a Recreation Department, complete with a full-time director. The first Recreation Department had an annual operating budget of $5,400 and a total of 10 staff members other than the director, today Durham Parks & Recreation is currently home to more than 120 full-time staff and over 180 part-time staff, and our operating budget in 2022 was 16.2 million.

DPR 100 will be an immersive celebration of our past, present, and the exhilarating future that awaits. Through an array of events, activities, community engagement, park projects, and planning, DPR 100 will tell Durham Parks and Recreation's origin story, demonstrate our growth and evolution, and set the stage for the future to connect the Durham Community to the happiness we provide and opportunities to Play More!

"This is just the beginning for Durham. There are so many good things happening now and so much potential for the future of our City. Our Centennial Celebration is a rare opportunity to reflect on and honor our past and embark on new beginnings. Right now we're planning for the next 10-15 years through a new comprehensive park system plan to create the best parks, recreation programs and services for our

Residents. Our centennial theme of “Keeping it 100” means just that... we'll continue to give 100% commitment to our residents while focusing on our 10 fundamental pillars:

1. Community Connections
2. Inclusivity & Equity
3. Youth Opportunities
4. Environment & Sustainability
5. Health & Wellbeing
6. Partnerships
7. Infrastructure & Facility Development
8. Engagement
9. Parkenomics
10. Building Culture

We have so much to be proud of, whether it's our long-standing special events that serve more than 10,000 participants each year, our school-age care program that offers a mix of recreation, arts, learning, and cultural activities for youth ages 5-12 throughout the school year and in the summer, our nationally recognized Mature Adults program, or our mobile recreation program, Fun Caravan, which has been serving the Durham community for more than 50 years.

As we embark on a remarkable journey towards celebrating a century of fun and community, we reflect on our rich history and look forward to a promising future. From our humble beginnings in 1924 with a modest budget and staff to our current thriving presence with an extensive team and more resources available, DPR has continuously evolved to meet the ever-changing needs of the Durham community.

DPR 100 is not just a celebration of our past achievements but a testament to our unwavering commitment to fostering happiness, health, and inclusivity in the lives of our residents. As we commemorate this milestone, we invite everyone to join us in this immersive celebration, where we will explore our origins, showcase our growth, and chart a path towards an even brighter future.

Throughout 2024, our focus on history, play, health, nature, and social equity will serve as guiding principles, reminding us of the values that have shaped Durham Parks and Recreation for a century. We invite you to be a part of DPR 100, as we continue to provide opportunities for the Durham community to "Play More" and create cherished memories that will last for generations to come. Here's to a century of fun, and to many more years of enriching the lives of our community members.

TAE KWON DO
Tae Kwon Do is a martial art originated in Korea and the name means ‘the art of kicking and punching.’ It uses kicks, punches and blocks in a series of moves called ‘forms’ and in sparring with each other. Tae Kwon Do is a non-contact style of practice; each kick or punch is delivered with full force but lands several inches from the target. The class helps build focus, respect, confidence, discipline, and self-defense skills. Each student will have a personalized development plan created by the instructor based on individual needs and abilities. Students may progress through belt levels from white belt (beginner) to yellow, green, purple, brown and then to black belt. Students should wear work-out clothing; t-shirt and sweatpants and bring a water bottle. This class is suitable for anyone with no experience of martial arts through second degree black belt. All equipment will be provided. The instructor is a senior black belt instructor and member of USA Tae Kwon Do Masters Association.

FULL MOON FEVER RIDE
Experience the American Tobacco Trail at night with the Full Moon Fever Bike Ride, with Durham Parks and Recreation. There’s no cost to participate, and you don’t need to register. Depending on how far you want to ride, choose one of these two start locations and times.

7:30 p.m. - Early Start Time
The early start is at 7:30 p.m. in front of Mellow Mushroom (410 Blackwell Street) in downtown Durham. That group will ride down the American Tobacco Trail and meet up with the late group that meets at 8:30 p.m. in front of Bean Traders Coffee Shop.

8:30 p.m. - Late Start Time
The late group will meet at 8:30 p.m. in front of Bean Traders (105 W North Carolina 54) on Hwy 54 at Fayetteville Street. Both groups will ride together on the American Tobacco Trail to the end of the pavement at New Hope Church Road (75 miles one way from Bean Traders), and then turn around and head back towards Durham. Riders are free to turn around at any point and head back towards Durham at any time or keep going past the end of the pavement to the end of the natural surface trail. Riding pace is up to each individual rider, but is typically very casual. No riders will be dropped within the main group. Helmets and lights are required. The number of lights and the type of lights you have is up to you; however, the lights must be visible from at least several hundred feet from the front of the bike. You must also have lighting on the back of your bike. Rain or unsafe riding conditions cancels the ride. In case of inclement weather, check our website, DPR Facebook, Instagram, and Twitter pages for last minute cancellations. A cancellation statement will be given by 6 p.m. the evening of the ride.

Total mileage: 7:30 p.m. group = 30 miles
8:30 p.m. group = 15 miles
